

## Help support Community Progress!

### **Initiative Partner \$25,000**

An "Initiative" partner understands the importance of developing vibrant communities with prosperous local economies. This partnership supports the Initiative by helping underwrite the overall costs of planning and program developments. The Initiative Partner is an annual contributor with a three year commitment of \$25,000 per year. Your business will receive:

- Business logo and contact information (when possible) in/on:
  - Sponsors publication and printed promotional material included in Community Progress public relations folders
  - Community Progress website: front page and sponsor page
  - Any promotional advertising for Initiative events
  - Sponsorship flyer at all Community Progress events
- Verbal recognition at Initiative events
- Business name mentioned in all press releases for the Community Progress Initiative and programs
- Logo and materials on display at Community Progress events

### **Progress Partner \$10,000**

A "Progress" partner understands the importance of developing vibrant communities with prosperous local economies. This partnership supports the Initiative by helping underwrite the overall costs of planning and program development. The Progress Partner is an annual contributor with a three year commitment of \$10,000 per year. Your business will receive:

- Business logo in/on:
  - Sponsors publication and printed promotional material included in Community Progress public relations folders
  - Community Progress website: business listing on front page and logo on sponsor page
  - Sponsorship flyer at all Community Progress events
- Business listing in promotional advertising for Initiative events
- Verbal recognition at Initiative events

### **Program Partner \$5,000**
